---

A Baltimore milk dealer JACOB  
FUSSELL built the first  
ice cream factory.

1851

Mr. Savage's 'ALARM BEDSTEAD'  
was displayed at the Great  
Exposition.

If the bell were sounded, the  
bed-clothes were automatically  
removed; then the mattress would  
slightly tilt sideways until the  
sleeper lost his angle of  
 repose, & was placed on the floor.
